Warranty protection for your vehicle

Warranty

Keeping you on the road
with quality mechanical
and electrical breakdown

cover

You have chosen
your vehicle with
care

Now give it the aftercare it really deserves
with quality mechanical and electrical
breakdown dealer guarantee.

A Scotsure Dealer Guarantee covers the
cost of repairing major mechanical and
electrical systems in the event of failure.

It's peace of mind **protection** you can't afford to be without.

Whatever vehicle you've purchased, no one can guarantee 100% reliability, even if it's undergone exhaustive pre-sale mechanical checks. That's why a Scotsure Dealer Guarantee makes so much sense.

It's the vital back-up that can quickly get your vehicle back on the road, even if major components break down.

Scotsure is a leading Mechanical and Electrical Breakdown administrator, so you can rest assured you're in good hands.

If your vehicle has a problem, we will deal with your claim quickly, efficiently and, perhaps most importantly of all, fairly.

Why do I need an extended car warranty?

By taking an extended warranty you protect yourself against unforeseeable breakdown repair bills. Whatever vehicle you have purchased, no-one can predict the future and a Scotsure Warranty can help ease the stress associated with unexpected vehicle repair bills. Our average warranty claim pay out in the last quarter of 2016 was in excess of £420 and is rising month on month! Can you afford to pay for an unexpected breakdown cost?

Why should I choose a Scotsure warranty?

Scotsure MBI has been providing used car warranties since 1982 and is wholly owned by the Scottish Motor Trade Association Ltd. It is this provenance and experience that ensures that you are in good hands and all of our warranties are fully underwritten.
